CONCRETE STREET FURNITURE

Anchoring

- ✓ 1x M12

Measurements

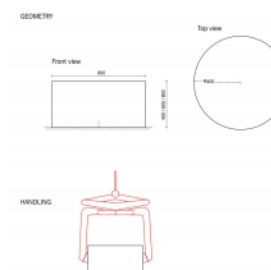

- ✓ Ø : 50cm - H45cm - 200 kg

The cylinder-shaped seat The seat Cylinder has one fixed diameter of 80 cm. However, you can get it in 3 different heights 40, 60 and 80 cm. So you can create a playful effect by combining different heights. Also use different colors and finishes to emphasize this effect even more. The placement of the concrete seat cylinder can easily be done with a clamp and it can be extra...
