

Custom made bench planters – Ruhr Park Shopping Centre, Bochum, Germany

Location: Bochum (DE)

Public Space

Project details

Urbastyle was responsible for supplying custom made bench planters for this Shopping Centre. These are installed inside the building as well as outside. Ruhr Park is the largest outdoor Shopping Centre in Germany and was completely renovated and expanded in 2015. The existing building was refurbished and a new park-like hall was added. Already at the entrance to the hall, the bench planters are clearly present and while walking through the streets in the building, the bench...
