Urbastyle supplied bespoke steps and public benches for the massive renovation of Tour & Taxis site at the heart of Brussels. Urbastyle supplied bespoke steps and public benches for the renovation of Tour & Taxis site at the heart of Brussels. In the early 2000s, after many years of neglect and disuse, efforts were launched to reinvigorate the prestige of this once noble and historic site. Renovation work of the Tour and Taxis complexes started in 2008. As part of the...
