Location: Zonnebeke (BE)

Public Space

## Project details

One of the Memorial Gardens of Passchendale got concrete modern art elements. The Passchendale Memorial Park was initiated a remembrance of the Battle of Passendale. Each garden has been designed by one of the nations that took part in the battle. Use was made of modern art, poetry, planting, etc. Urbastyle supplied the concrete modern art elements for the garden of the United States. The maps of Belgium and the United States are prefabricated made to measure slabs. Each...
