

# GREEN ENTRANCE FOR A NEW OFFICE BUILDING

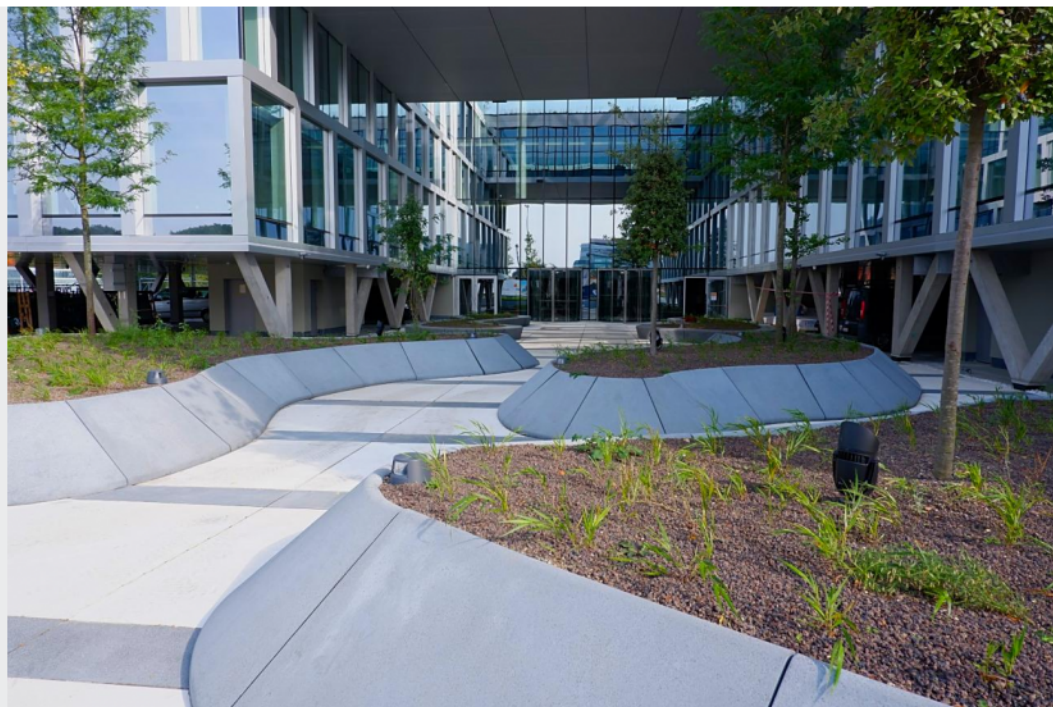

Location: NEAR BRUSSELS AIRPORT (BE)

Public Space

## Project details

In August 2021, a brand new office building near Brussels Airport opened. Assar Ilox architects designed the complex, and Urban Landscape was commissioned by Assar Ilox architects to design the surroundings. The main building tenant will occupy 22,400 m<sup>2</sup> of space, while the remaining 7,700 m<sup>2</sup> will be occupied by others, in accordance with the developer's co-working concept. The main tenant's employees requested that their new headquarters be located near the airport. This...
