Fiord is a design series of concrete objects that covers a wide range of urban usability. Consisting of two planters, three benches, a huge lounge with a backrest for multiple persons and a litter bin. Each piece, shaped like little islands, fit together from almost every side allowing the entire collection to be arranged in multiple configurations.

Inspired by the timeless erosion and shaping of pebbles, the Nuton Collection offers concrete elements that invite endless combinations. With varied shapes and heights, this collection creates a landscape conducive to relaxation. Both the benches and planters feature a sloped design, allowing water to naturally flow away from the surface. Immerse yourself in tranquility with this nature-inspired collection.

# PAPERBOAT

Perfect for coastal areas, riverbanks, squares, schools, museums, and beyond, the Paperboat Collection adds a touch of whimsy and childhood nostalgia to any setting. Consisting of two products, this collection creates a charming scene reminiscent of paper boats floating on water. While ideal for waterside locations, each product enhances the ambiance anywhere and features a slight slope to facilitate water drainage, ensuring a dry and comfortable experience.

# PADDED

The Padded Bench, a robust design that cleverly creates the illusion of softness. Despite being a one-piece structure, the intricate detailing of the “cushion” provides the impression of separate bench and cushion components. Available in both 2-seat and 3-seat options, this bench combines durability with an elegant aesthetic, offering versatile seating solutions for any outdoor space.

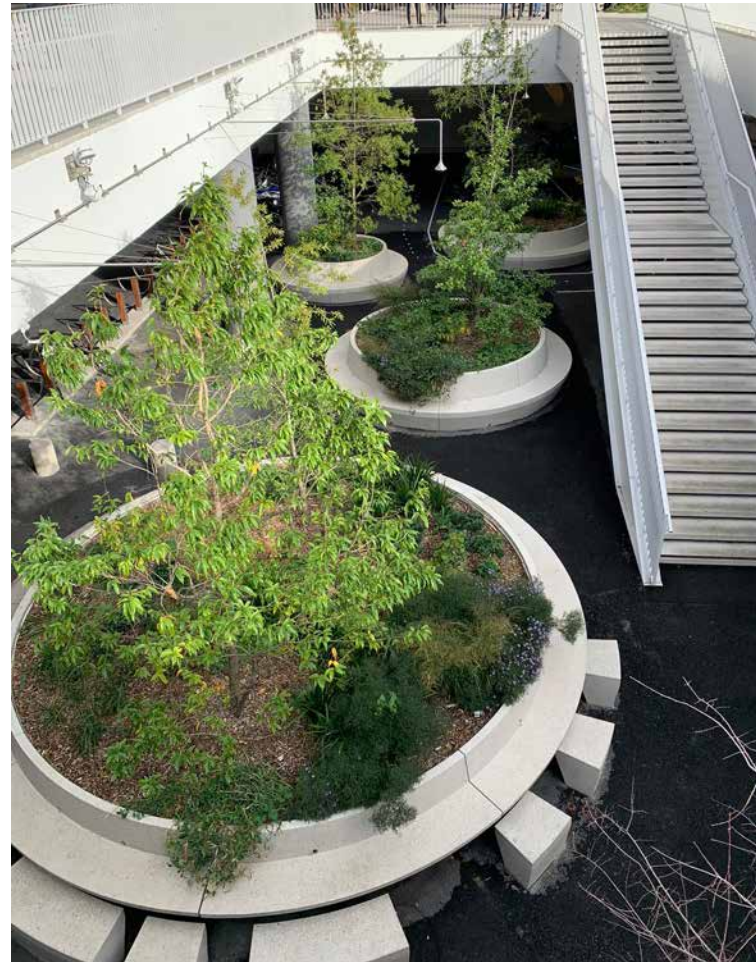

## DESIGNER

Markus Kurkowski

Product Number	Product Name	Length inch	Width inch	Height inch	Weight lbs/p
ZB.PD.01	Bench 2-padded	50	26	18 1/4	630
ZB.PD.02	Bench 3-padded	74	26	18 1/4	995

Combine various elements of the Paris collection to create a sprawling circular concrete seating area, featuring an open center ideal for showcasing vibrant flowers or lush trees. Enhance the appeal of your outdoor space with this versatile and inviting arrangement, offering ample seating and natural beauty for gatherings and relaxation.

Product Number	Product Name	Length inch	Width inch	Height inch	Weight lbs/p

Product Number	Product Name	Length inch	Width inch	Height inch	Weight lbs/p
ZB.DP.01	Planter small	48	25 1/4	15 3/4	440
ZB.DP.02	Planter large	72	25 1/4	15 3/4	585

As if emerging directly from the ground, the Pop Up planter gives the illusion of seamlessly blending with its concrete surroundings. This innovative planter starts from a flat tile and ascends to a height of 25 1/2 inches, adding dimension and visual interest to any outdoor space.

# TREE GRATES

The Dune tree grates epitomize simplicity and elegance. Inspired by the sand dunes, they are meticulously crafted to establish a seamless connection between the ground and the tree trunk. Designed to provide protection for trees while facilitating healthy root growth, these grates blend seamlessly into any landscape.

Product Number	Product Name	Length inch	Width inch	Height inch	Weight lbs/p
ZB.DU.01	Tree grate small	55 1/8	21 1/2	14	660
ZB.DU.02	Tree grate large	88 9/16	44 1/4	17	1,590

Moonshine’s whimsical design brings a playful element to sidewalks and streetscapes, adding charm to landscapes. The strategically placed spaces in the Moonshine Tree Grate allow water to flow towards the roots, ensuring optimal hydration for the trees while enhancing the visual appeal of the surroundings.

## WHO IS WAUSAU TILE?

**URBASTYLE**  
CONCRETE STREET FURNITURE

by

**WAUSAU TILE**

Driven by a commitment to innovation and quality, Urbastyle partners with architects and designers to craft furniture collections of unmatched value. At the core of this achievement lies Urbastyle by Wausau Tile. As the symbol of architectural innovation and excellence in site furnishings, and the sole American manufacturing company for Urbastyle's products, which we produce and distribute nationwide, we set the benchmarks for quality and ingenuity.

With over seven decades of expertise, Wausau Tile leads the industry as the premier producer of architectural concrete, terrazzo, and metal items. Our dedication to excellence and personalized customer care has fostered relationships with architects, designers, and contractors, resulting in groundbreaking creations and continued innovation.
